Restaurant History

My Grandfather, Steve Phillipakis started Andrew & Steve's Restaurant in 1916 with his partner, Andrew Cetina, after coming to the United States from Greece. A coal stove was used for cooking and baking, vegetables were purchased from local farmers and meat was cut from halves of beef. The original restaurant was lost in 1922 after the Great Fire of Astoria. When the town was rebuilt, they rented a space in the Occidental Building. (pictured above)

In 1951, my Aunt and Uncle, Pete and Harriet Antoniou and my father, Gus Phillipakis acquired the business. They then purchased the VFW Building in 1964 where we are presently located. We still take the same pride and care in our preparation of foods; we roast our own meats, make our own soups, sauces, gravies, dressings, pies and puddings from scratch.

Our motto through the years has remained the same:

"Serving a Quality Homemade product, with friendly service at a reasonable price!"

Andrew and Steve's has been handed down in the family since 1916...I am part of the third generation involved and proud to be a part of the Restaurant today!

On behalf of my entire family, I welcome you to the Restaurant! Enjoy our food and our history! I would appreciate any comments you may have.

Sincerely,

Stephanie Phillipakis-Dunagan
